Welcome to the

76th Annual Conference of THE INDIAN MEDICAL ASSOCIATION GUJARAT STATE BRANCH - GIMACON 2024

Dear IMA Members,

It gives us immense pleasure to officially announce that the **76th Annual Conference Of Gujarat State IMA—GIMACON 2024** will be held at Rajkot on **19th & 20th October, 2024**.

As we are aware that there is declining trend of Infections and Communicable diseases and there is a shift towards LIFE STYLE DISORDERS, this year we have kept the theme of Conference as **“LIFE STYLE CHALLENGES—TODAY AND TOMORROW”**.

The consumption of alcohol, drugs, smoking abuse and lack of physical activity and unhealthy eating habits are common in modern civilized society which is giving rise to various lifestyle diseases like—Heart attack, Obesity, etc.

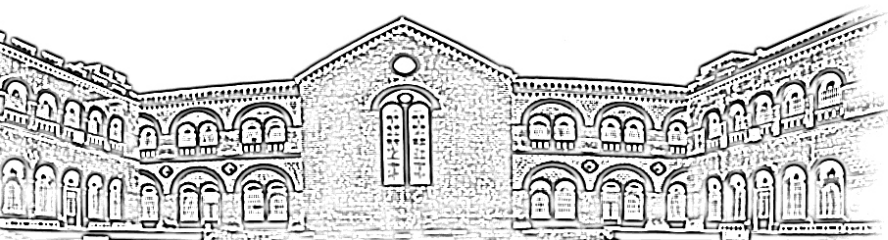

The purpose of our conference is to update clinicians on the latest modality of management that the world can offer, to bridge any lacunae in our knowledge and impart confidence to the members of our fraternity that the best of treatment is also available in our region and is offered by us.

We promise you a cock tail of academic extravaganza entertainment ecstasy and of course legendary **KATHIYAWADI** Hospitality.

So get yourselves registered early and witness a life time event.....

Dr. Atul Pandya
Org. Chairman GIMACON 2024

Dear Friends,

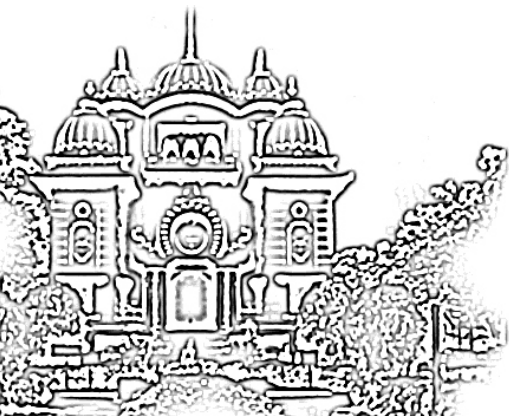

We are eagerly waiting to Welcome you, Care for you and Cater you at Rajkot.

Rajkot IMA has always been a Vibrant IMA. Rajkot is known to organize conference and Workshops of National and International Standards.

The Organizing Committee is working day and night with the blessings of more than 300 Patron Members to organize a memorable conference. THEME OF CONFERENCE

LIFE STYLE CHALLENGES - TODAY AND TOMORROW

Today in the Era of 21st century with the advent of technology mankind has all the comforts money can buy. World has become a Global Village with super connectivity and people has huge amount of information at their finger tips. The young and old today are busy in their own digital worlds and has less time for fellowship. There are more facebook friends than buddies. We may have eradicated Small Pox, Polio etc communicable diseases but various newer problems due to hectic life style has emerged. Hence the **theme of the GIMACON 2024** has been **LIFE STYLE CHALLENGES - TODAY AND TOMORROW**.

Today's modern life style has lead to various problems and diseases like...

- Smoking, Alcohol and drug Abuse giving rise to various cancers
- Psychosomatic Disorders and Depression with increase in suicides
- Diabetes, Obesity and Heart diseases due to sedentary life style
- Allergies and Asthma
- Alzheimer's disease, Stroke
- Metabolic Syndrome, Nutritional deficiency and Osteoporosis.
- Inferlity & Sterility

The scientific committee of GIMACON 2024 is working hard to get the best national and international faculties to address this different subjects to update our knowledge in this newer problems and disease which is threatening the mankind today.

Rajkot is considered to be one of the fastest developing urban areas in the country. This city is situated on the river banks of Aji and Nyari. This city is also included in the top ten list of the cleanest Indian towns.

The Jadeja Rajput Clan did the establishment of the city in the year 1612. Rajkot was the capital of the Saurashtra State from 15 April 1948 to 31 October 1956, before its merger with Bombay State on 1 November 1956. Rajkot was reincorporated into Gujarat State on 1 May 1960. It is widely popular as the town where Mahatma Gandhi completed his early education.

Rajkot has many historical landmarks and places. The Jubilee Garden is a large, open park in the centre of the city featuring many monuments from colonial times. Located prominently in the centre of the garden is the Connaught Hall. Other notable points of interest near the garden include the historic Mohandas Gandhi (Alfred) High School (Now Mahatma Gandhi Museum), Kaba Gandhi No Delo, Rashtriya Shala, Watson Museum, Rotary Dolls Museum, Lang Library, Rotary Midtown Library, Swaminarayan Temple and Saurashtra Cricket Association Stadium.

The Rotary Dolls Museum has a collection of more than 1,400 dolls from all over the world. This museum is being managed by Rotary Club of Rajkot Midtown along with Rajkot Nagrik Sahakari Bank. The Museum has earned a place in Limca Book of Records for its unique collection of dolls. Pradhyuman Zoological Park is located near Lalpari Lake in Rajkot, Gujarat. It is commonly referred to as the Pradhyuman/Rajkot Prani Sanghralaya. The area covered by the park is 137 acres wide. Many locals and tourists visit this place as a popular picnic destination

Rajkot provides a range of traditional and modern shopping malls across the entire city.

Products made in Rajkot include jewellery, silk embroidery and watch parts. Industrial products include bearings, diesel engines, kitchen knives and other cutting appliances, watch parts (cases and bracelets), automotive parts, forging industry, casting industry & machine tools.
